The payment schedule shall consist of: * The use of the term "Petition Date" in this Plan refers to the date that the Debtor filed the voluntary petition in this case. Constant Payments: The Debtor will pay \$800.00 per month for 60 Variable Payments: The Debtor will make variable plan payments throughout the Plan Term. The proposed schedule for such variable payments are set forth in Exhibit A to this Order and are incorporated herein for all purposes. 2.3 Mode of Payment. ☑ Direct Home Mortgage Payments by Debtor Required.

On the Petition Date, the Debtor owed the following claims secured only by a security interest in real property that is the Debtor's principal residence. The listed monthly payment amount is correct as of the Petition Date. Such mortgage claims (other than related Cure Claims addressed in § 3.2), shall be paid directly by the Debtor in accordance with the pre-petition contract, including any rate changes or other modifications required by such documents and noticed in conformity with any applicable rules, as such payments become due during the Plan Term. The fulfillment of this requirement is critical to the Debtor's reorganization effort.

Any failure by the Debtor to maintain payments to a mortgage creditor during the Plan Term may preclude confirmation of this Plan and, absent a subsequent surrender of the mortgage premises, may preclude the issuance of any discharge order to the Debtor under § 1328(a).* The Trustee will monitor the Debtor's fulfillment of this direct payment obligation ("DPO").

*All statutory references contained in this Plan refer to the Bankruptcy Code, located in Title 11, United States Code.

☑ Cure Claims. On the Petition Date, the Debtor was delinquent on payments to satisfy certain secured claims or upon obligations arising under an executory contract or an unexpired lease that the Debtor has elected to assume under § 6.1 of this Plan. While remaining current on all direct payment obligations (future installment payments) as each comes due under the applicable contractual documents during the plan term (a "DPO"), the Debtor shall cure all such delinquencies through the Plan as listed below (a "Cure Claim"). Each listed claims constitutes a separate class. The total amount of each allowed Cure Claim will be paid in full by the Trustee. The Trustee is authorized to initiate monthly payments on an interim basis based upon the projected amount of each Cure Claim listed below until such time as the allowed amount of each Cure Claim is established by the filing of a proof of claim in accordance with the Bankruptcy Rules. The amount listed in that proof of claim, or the final determination by the Court of any objection thereto, shall control over any projected Cure Claim amount listed below. No interest will be paid on any Cure Claim in the absence of documentary proof that the applicable contractual documents entitle the claimant to receive interest on unpaid interest.

If the automatic stay is terminated as to the property for which a Cure Claim exists at any time during the Plan Term, the next distribution by the Trustee on such Cure Claim shall be escrowed pending any possible reconsideration of the stay termination. If the stay termination is reversed by agreement or by court order, then the single escrowed distribution shall be released to the holder of the Cure Claim and regular distributions on that Cure Claim shall be reinstituted. In the event that the stay termination remains in effect on the second distribution date after the stay termination, the escrowed funds shall be released for distribution to other classes under this Plan and the Cure Claim shall thereafter be addressed solely under applicable state law procedures and will no longer be treated by the Plan. The completion of payments contemplated in this subsection constitutes a cure of all defaults of the Debtor's obligation to each listed claimant.

910 Claims. The claims listed below were either:

- (1) incurred within 910 days before the Petition Date and secured by a purchase money security interest in a motor vehicle acquired for the personal use of the Debtor, or
- (2) incurred within 1 year of the Petition Date and secured by a purchase money security interest in any other thing of value,

and are thus statutorily protected from bifurcation under § 506(a) based on collateral value (a "910 Claim").

Based upon the Debtor's election to retain certain personal property that serves as collateral for a 910 Claim, adequate protection payments in an initial amount calculated pursuant to LBR 3015(c)(1) shall be paid by the Debtor to the Trustee beginning in Month 1 of the Plan for the benefit of holders of allowed 910 Claims secured by personal property as authorized by § 1326(a)(1)(C) and LBR 3015(c). Such payments shall be held by the Trustee solely for the benefit of the affected secured creditor to the absolute exclusion of the Debtor and all other parties and shall be tendered by the Trustee at the earliest practicable time to holders of allowed 910 Claims secured by personal property as listed below, notwithstanding any failure by the Debtor to achieve confirmation of this Chapter 13 plan. Adequate protection payments to be distributed by the Trustee are subject to the availability of funds and the Trustee is authorized to make pro rata payments if available funds are insufficient to pay all adequate protection payments otherwise due. Such adequate protection payments to each affected secured claimant shall continue on a monthly basis until the month in which equal monthly payments are initiated to such claimant under the Plan.

Each 910 Claim constitutes a separate class. Each 910 Claim will be paid in full by the Trustee with post-confirmation interest accruing from the Effective Date of the Plan at the plan rate stated below. Upon confirmation of this Plan, the Trustee is authorized to initiate monthly payments on an interim basis based upon the projected amount of each 910 Claim listed below until such time as the allowed amount of each 910 Claim is established by the filing of a proof of claim in accordance with the Bankruptcy Rules. The amount listed in that proof of claim, or the final determination by the Court of any objection thereto, shall control over any projected 910 Claim amount.

If the automatic stay is terminated as to property securing a 910 Claim treated under this subsection at any time during the Plan Term, the next distribution by the Trustee on such 910 Claim shall be escrowed pending any possible reconsideration of the stay termination. If the stay termination is reversed by agreement or by court order, then the single escrowed distribution shall be released to the holder of the 910 Claim and regular distributions on that 910 Claim shall be reinstituted. In the event that the stay termination remains in effect on the second distribution date after the stay termination, the escrowed funds shall be released for distribution to other classes under this Plan and the 910 Claim shall thereafter be addressed solely under applicable state law procedures and will no longer be treated by the Plan.

The holder of a lien securing payment of any other allowed secured claim that is governed by this Plan shall retain its lien until the earlier of: (1) the total satisfaction of the indebtedness secured by the lien as determined under applicable non-bankruptcy law; or (2) the entry of a discharge order in favor of the Debtor under § 1328(a). In each instance, the provisions of this subsection may be superseded by a subsequent order of the Court.

3.8 Maintenance of Insurance and Post-Petition Taxes Upon Retained Collateral.

For all property that secures the payment of an indebtedness and which is proposed to be retained by the Debtor under this Plan, the Debtor must maintain insurance coverage as required either by the applicable contractual documents governing the indebtedness or as may be directed by the Trustee. The Debtor must also pay all ad valorem taxes on property proposed to be retained by the Debtor under this Plan as they come due in the post-petition period. Such payment shall be tendered to the appropriate taxing authorities in accordance with applicable non-bankruptcy law on or before the last date on which such taxes may be paid without penalty.

Where applicable, the Trustee is authorized to initiate monthly payments on an interim basis based upon the projected amount of each priority claim listed below until such time as the allowed amount of each priority claim is established by the filing of a proof of claim in accordance with the Bankruptcy Rules. The amount listed in that proof of claim, or the final determination by the Court of any objection thereto, shall control over any projected priority claim amount listed below.
4.2	Trustee's Fees.
	The Trustee's fees are fixed by the United States Trustee pursuant to the provisions of 28 U.S.C. § 586(e)(2) and, pursuant thereto, shall be promptly collected and paid from all plan payments received by the Trustee.

	LBR 2016(h)(1): If the attorney's fee award is determined by the benchmark amounts authorized by LBR 2016(h), the total fee shall be the amount designated in LBR 2016(h)(1)(A) unless a certification is filed by the Debtor's attorney regarding the rendition of legal services pertaining to automatic stay litigation occurring during the Benchmark Fee Period outlined in that local rule. The Trustee is authorized to make the benchmark fee calculation and to recognize the proper enhancement or reduction of the benchmark amount in this case without the necessity of court order. No business case supplement to the benchmark fee shall be recognized unless a business case designation is granted on or before initial confirmation of the Plan.
	Fee Application: If the attorney's fee award is determined by the formal fee application process, such fee application shall be filed no later than 30 days after the expiration of the Benchmark Fee Period outlined in LBR 2016(h)(1). If no application is filed within that period, the determination of the allowed amount of attorney's fees to the Debtor's attorney shall revert to the benchmark amounts authorized by LBR 2016(h)(1) without the necessity of any further motion, notice or hearing and the Trustee shall adjust any distributions in this class accordingly.
